Weight	Available on request

Features

- Slim 1.18" profile — maximizes floor space in compact layouts.
- Laminated MDF skins in wood-grain finishes; fabric skins available instead.
- Double-skin design: each side removes independently for replacement.
- Aluminum profiles 1.0 to 1.2 mm with 2-, 3- and 4-way connectors for any layout.
- Built-in bottom raceway for power and data, pre-punched for 2 standard US outlets.
- Work-surface holder profile and adjustable leveling legs.

Warranty

Lifetime warranty on cubicle panels against manufacturing defects, for the original customer at the original shipping address, subject to a pre-approved third-party inspection report and our review standards. Does not cover misuse, improper installation, modification or normal wear. Full terms: cubicles.shop/terms-conditions/

Ordering & Delivery

Made to order: ready to ship in about 2 weeks from the second business day after payment is confirmed, plus freight transit time. Freight is calculated at checkout. Ships within the United States only. Installation is available in Los Angeles and Southern California through a third-party installer (quoted separately).
